When you describe an animal, you have to follow these steps.

Step 1- "IT IS..."

What animal is it? What kind of animal is it? It is a lion. It's a mammal.

Step 2- "IT LIVES..."

Where does it live? It lives in the Savanah

Step 3- "ITS BODY IS COVERED WITH..."

Talk about its body. Its body is covered with fur.

Step 4- "IT HAS GOT..."

Some features. It has got sharp teeth.

Step 5- "IT EATS..."

Say if this animal is carnivore, hervivore... It eats meat.

Step 6- "IT CAN..."

Write about interesting things. It can run very fast.

Example.

It is a crocodile. It is a reptile

It lives in the savanah.

Its body is covered with scales.

It has got very sharp teeth, big claws, short legs and a long tail.

It eats other big animals such as zebras. So it is carnivore.

It can run and swim very fast. It is really dangerous. If you find one of these animals, it can eat you.

In the picture below there are some words to describing the animals.
