Facts about Children's Day, read and answer: When do children celebrate their day?

1. At first, the Children's Day was called Rose Day, later the name was changed to the Floral Sunday.
2. From 1952, as in Slavic countries, Poland is celebrating Children's Day on June 1.
3. In Poland, from June 1, 1994, the Sejm of Children and Youth deliberates on that day.
4. The Turks celebrate Children's Day on April 23.
5. In most countries, the Children's Day is celebrated on the anniversary of the adoption of the Declaration of Children's Rights and the Convention on the Rights of the Child – November 20.
6. In Japan, children do not have a typical Children's Day because they were separated on the Boy's Day on May 5 and Girls on March 3. May 5 is the tradition of joint carp by father and son, which symbolizes one member of the family. Black carp is father, red – mother, blue – son. On March 3, the puppet festival is celebrated. For this reason, girls together with their parents create dolls together.

7. In France, instead of Children's Day, there is Family Day on January 6.

8. In Mexico, special activities for children are being prepared on the occasion of the Children's Day to celebrate this time together.
